SUNDAY, APRIL 22

1 PM-5 PM

BA Art Senior Thesis Exhibition

This is the second of two consecutive exhibitions that are part of graduating art majors' capstone experiences at Elon. Participation represents the culmination of their art-making endeavors. During the opening reception, exhibiting artists present statements that offer context to their theses.

Arts West Gallery

2:00 PM

Pride and Prejudice

Finding a husband is hardly Elizabeth Bennet's most urgent priority. However, with three sisters, an overzealous match-making mother, and a string of unsuitable suitors, it's difficult to escape the subject. When the independent-minded Elizabeth meets the enigmatic Mr. Darcy, she is determined to resist his looks and wealth and instead pursue her true feelings – but the truth is not as clear as one might expect. Can Elizabeth, Darcy, and their families look beyond their pride and prejudice for the betterment of all?

Admission \$12 or free with Phoenix Card.

YcbXcVg's student documentaries

elondocs presents a series of short student documentaries. The first four films are projects created by students participating in the elondocs production program, which is a one-year extra-curricular training and mentorship program for students interested in making documentaries. The topics include Elon's marching band, the creation of a dance piece, the a cappella group Rip Chord, and a banjo player with cerebral palsy. The last film is a Lumen Prize project supported by elondocs that looks at race relations on a farm in Africa.
